BASSEY EMEM PEACE

Frontend Developer

WORK EXPERIENCE

Web development- Cousera   march - January 21, 2022

- Collaborated with cross-functional teams to design and develop responsive and user-friendly web applications.
- Utilized a wide range of front-end technologies, including HTML, CSS, and JavaScript, to create intuitive and visually appealing user interfaces.
- Demonstrated proficiency in modern JavaScript libraries and frameworks, such as React and Next.js, to build dynamic and efficient web applications.
- Implemented API integrations to fetch and display real-time data, enhancing the interactivity of web applications.
- Leveraged Angular to develop and maintain a complex web application with a focus on performance and scalability.
- Managed and maintained SQL databases, ensuring data consistency and reliability.
- Conducted regular code reviews and optimizations to improve code quality and maintainability.

Web development - OutSwift   July 11, 2022

- Proficiently utilized HTML, CSS, and JavaScript to build and maintain responsive web applications.
- Employed React and Next.js to develop interactive front-end components and features.
- Successfully integrated external data sources and APIs to enhance application functionality.
- Collaborated closely with back-end developers to ensure seamless communication.
- Designed and managed SQL databases for dynamic content generation.
- Created single-page applications with Angular for improved performance.
- Conducted thorough cross-browser and cross-platform testing.
- Optimized website performance for faster loading times.
- Collaborated with UI/UX designers to bring creative concepts to life.
- Conducted code reviews, debugging, and troubleshooting.

ABOUT

I am an highly skilled and creative front-end developer with a passion for crafting immersive and user-centric digital experiences. With a keen eye for design and a deep understanding of web technologies, I brings a unique blend of artistic flair and technical expertise to every project.
